

student activity 1

Name _____ Date _____

Directions: The flower stem below is incomplete without a beautiful flower to go on top. Trace your hand onto a piece of construction paper. Cut it out and glue it to the flower stem below. Write a word that describes one of your unique characteristics in the middle of your hand.

student activity 2

Name _____ Date _____

Directions: Draw a picture of a flower over the puzzle pieces. Make sure you can still see the lines on the puzzle pieces. Write a positive message to someone on the puzzle. After you draw and color your flower, cut the puzzle pieces along the lines. Put them in an envelope and give them to a classmate who will try to put the puzzle back together. When they complete the puzzle, they will have a picture of a beautiful flower and a message from you.
