

# student activity 1

## magical creature creations

Name \_\_\_\_\_ Date \_\_\_\_\_

**Inez told us stories that included magical creatures on the beautiful island of Haiti.  
Create your own magical creature to share in your class gallery.**

What does your creature look like? (Circle Below)

A person?

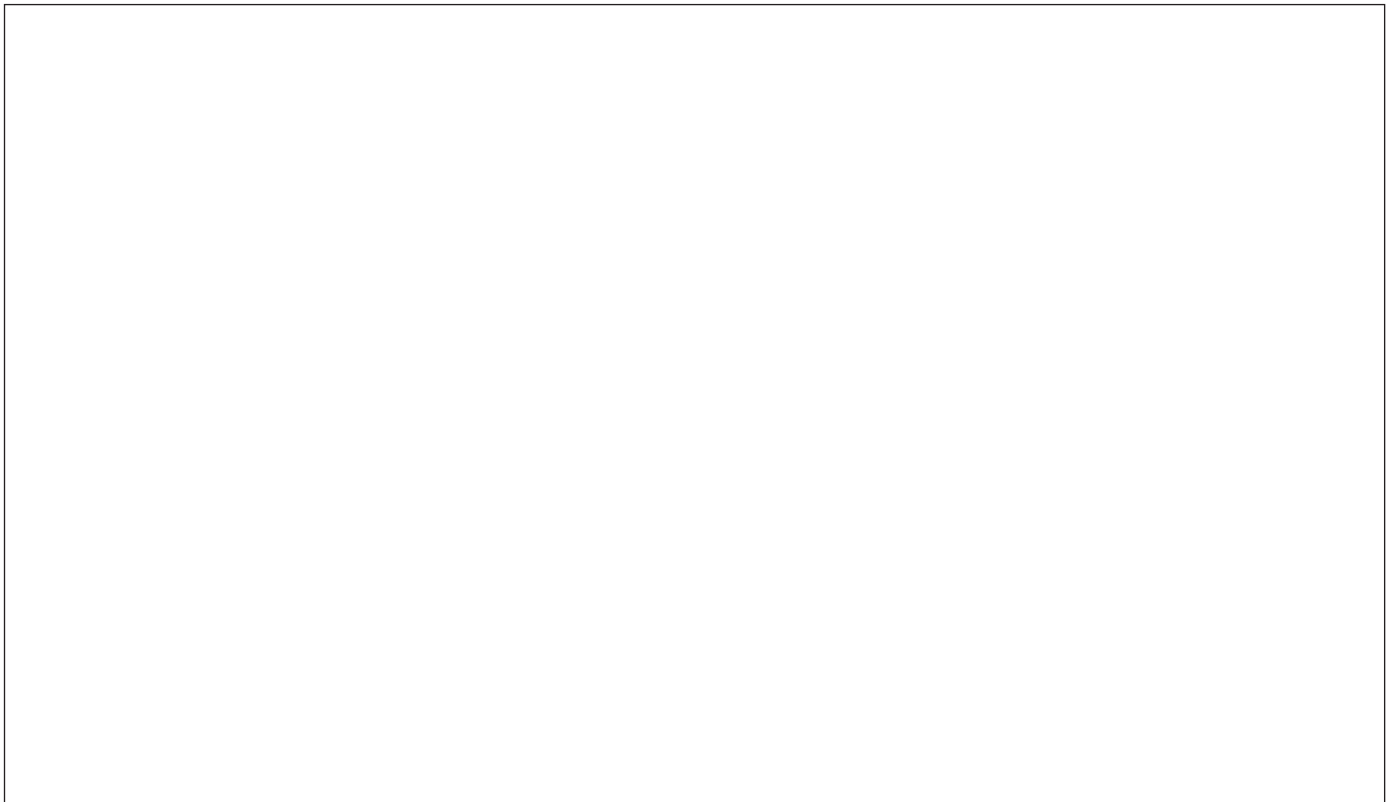

An animal?

A mix of both?

Why is your creature special?

What is its name?

Use the space below to draw your creature. Use markers or crayons to add color just like Inez used colors in her dress to represent Haiti.

# student activity 2

Name \_\_\_\_\_ Date \_\_\_\_\_

Inez and her friends and family worked together to create a band and share songs and stories. They each add something special to their community.

What makes you special? Write and/or draw it below.

**I am special because....**
