Independent Auditors' Report

The Board of Directors
New Jersey Performing Arts Center Corporation:

Opinion

We have audited the consolidated financial statements of New Jersey Performing Arts Center Corporation (NJPAC), which comprise the consolidated balance sheets as of June 30, 2025 and 2024, and the related consolidated statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the consolidated financial statements.

In our opinion, the accompanying consolidated financial statements present fairly, in all material respects, the financial position of NJPAC as of June 30, 2025 and 2024, and the changes in its net assets and its cash flows for the years then ended in accordance with U.S. generally accepted accounting principles.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are required to be independent of NJPAC and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with U.S. generally accepted accounting principles, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about NJPAC's ability to continue as a going concern for one year after the date that the consolidated financial statements are available to be issued.

Auditors' Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the consolidated financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the consolidated financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of NJPAC's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the consolidated financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about NJPAC's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Supplementary Information

Our audits were conducted for the purpose of forming an opinion on the consolidated financial statements as a whole. The supplemental information included in Schedules 1 and 2 is presented for purposes of additional analysis and is not a required part of the consolidated financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the consolidated financial statements. The information has been subjected to the auditing procedures applied in the audit of the consolidated financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the consolidated financial statements or to the consolidated financial statements themselves, and other additional procedures in accordance with GAAS. In our opinion, the information is fairly stated in all material respects in relation to the consolidated financial statements as a whole.

Included in the accompanying consolidated financial statements of NJPAC are the financial statements of a separate but affiliated corporation, The Arts Education Endowment Fund in Honor of Raymond G. Chambers (the Fund or AEE Fund). The Fund is also a not-for-profit and a Section 501(c)(3) tax-exempt corporation.

The Fund's Board of Directors is identical to that of NJPAC. In accordance with the terms of the Fund, interest and investment income earned on the Fund's assets are to be transferred to NJPAC to partially support NJPAC's arts education programs.

Also included in the accompanying consolidated financial statements of NJPAC are the financial statements of three limited liability companies named the Theater Square Development Company, LLC (TSDC), NJPAC TSD 1 LLC (TSD 1) and Hip Hop Nutcracker Tour, LLC (HHNT). NJPAC is the sole member of these companies. The single-member LLCs are treated as disregarded entities for federal tax purposes. Both TSDC and TSD 1 are to provide services and support relating to the development and operation of real estate owned or leased by NJPAC in furtherance of NJPAC's charitable purposes. The purpose of HHNT is to produce and present touring performances of The Hip Hop Nutcracker.

NEW JERSEY PERFORMING ARTS CENTER CORPORATION

Notes to Consolidated Financial Statements

June 30, 2025 and 2024

In fiscal year 2024, NJPAC established TS 2 Development Corporation (TS2) as a supporting organization of NJPAC to acquire, lease, renovate and improve real estate and to acquire public financing and tax credit financing. Specifically, TS2 was created to develop the Cooperman Family Arts Education and Community Center (Cooperman) and to contract as necessary to participate in federal and State of New Jersey investment tax credits.

NJPAC formed three additional single-member LLCs named NJ Media Production Stages, NJ Media Production Studios, and NJ Media Production Holdings in June 2019. A fourth LLC named NJ Media Production Management was formed in September 2019. These four interrelated LLCs were created for the purpose of leasing television production studio space and providing related services to television production companies. NJ Media Production Stages incurred capitalized expenses totaling \$401,806 during 2025. There has been no activity in the other three LLCs to date.

(2) Summary of Significant Accounting Policies

(a) *Financial Statement Presentation*

These consolidated financial statements are presented on the accrual basis of accounting. Net assets and revenues, gains, and losses are classified based on the existence or absence of donor-imposed restrictions. Accordingly, net assets of NJPAC and changes therein are classified and reported as follows:

Net assets without donor restrictions – Net assets that are not subject to donor-imposed stipulations.

Net assets with donor restrictions – Net assets that are subject to donor-imposed stipulations, which include net assets that require the passage of time, the occurrence of a specified event, or are maintained permanently (endowment fund corpus net assets). Endowment fund corpus net assets permit NJPAC to use or expend part or all of the income derived from the donated assets for general or specific purposes in accordance with the Uniform Prudent Management of Institutional Funds Act (UPMIFA).

Accordingly, NJPAC records gifts of cash and other assets as contributions with donor restrictions if they are received with donor stipulations that limit their use. When a donor restriction expires, that is, when a stipulated time restriction ends or purpose restriction is accomplished, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the consolidated statements of activities as net assets released from donor restrictions. Expenses are recorded as decreases in net assets without donor restrictions. Donor-restricted contributions that are received and released from restriction in the same fiscal year are recorded as revenue without donor restrictions. Conditional contributions are not recognized until they become unconditional, that is when the conditions on which they depend are substantially met.

The consolidated statements of activities distinguish between operating and special purpose activities. Special purpose activities are the building-related activities that include depreciation, interest, other expenses, support related to capital projects, the Innovation Fund (note 4), the Strategic Reserve Fund (note 4), Theater Square Development Company, LLC and NJPAC TSD 1, LLC.

(b) Cash and Cash Equivalents

NJPAC considers all highly liquid investments purchased with original maturities of three months or less that are to be used for operating purposes to be cash equivalents. Cash equivalents may consist of certificates of deposits, money market funds, and investments in obligations of the U.S. Government and its agencies.

(c) Investments

NJPAC's investments in fixed-income securities, equity funds, and equity securities are reported at fair value based on quoted market prices. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on an accrual basis. Dividends are recorded on the ex-dividend date. Alternative investments consist of shares or units in investment funds as opposed to direct interests in the funds' underlying holdings, which may be marketable. NJPAC's investments in alternative investments are stated, as a practical expedient, at the net asset value (NAV), as provided by the investment manager and evaluated for reasonableness by NJPAC's management.

(d) Capital Acquisitions and Depreciation

Expenditures for property and equipment are capitalized at cost, when purchased or constructed, and are capitalized at fair value when contributed. Depreciation is computed using the straight-line method over the shorter of estimated useful lives or the term of the lease of the related assets.

Land under capital lease	98 years
Theater building	50 years
Parking garage	50 years
Other building	30 years
Furniture, fixtures, and improvements	5 to 10 years

(e) Conditional Asset Retirement Obligations

Conditional asset retirement obligations are to be recognized if a legal obligation exists to perform asset retirement activities and a reasonable estimate of the fair value of the obligation can be made. Remediation took place during the years ended June 30, 2025 and 2024 for \$92,371 and \$23,427, respectively. The conditional asset retirement obligation included in other liabilities is \$357,202 and \$440,790 at June 30, 2025 and 2024, respectively, which has been adjusted for the accretion of the discount.

(f) Ticket Sales

Ticket sales are recognized as performance and performance-related revenue on a specific performance basis. Advance ticket sales for the receipt of payment for future performances are reported in advance ticket sales and other deferred revenue in the consolidated balance sheets. Such amounts were approximately \$3.2 million and \$2.1 million in 2025 and 2024, respectively, and will be recognized as revenue in the subsequent period.

NEW JERSEY PERFORMING ARTS CENTER CORPORATION

Notes to Consolidated Financial Statements

June 30, 2025 and 2024

(g) *Derivative Instruments*

Derivative financial instruments are employed to manage risks. NJPAC has entered into interest rate swap agreements to manage its exposure to interest rate changes. NJPAC recognizes all derivative instruments in the consolidated balance sheets at fair value. Fair value is estimated based on pricing models that utilize significant observable inputs, such as relevant interest rates, that reflect assumptions market participants would use in pricing the instruments. These inputs fall within Level 2 of the fair value hierarchy. Changes in the fair value of derivatives are recognized within changes in net assets without donor restrictions in the consolidated statements of activities.

(h) *Contributions*

Unconditional promises to give are recognized initially at fair value as contributions revenue in the period such promises are made by donors. Fair value is estimated giving consideration to anticipated future cash receipts (after allowance is made for uncollectible contributions, if necessary) and discounting such amounts at a risk-adjusted rate commensurate with the duration of the donor's payment plan. In subsequent periods, the discount rate is unchanged and the allowance for uncollectible contributions is reassessed and adjusted, if necessary. Amortization of the discounts is recorded as additional contributions revenue. The discount rate used for contributions received during the years ended June 30, 2025 and 2024 was 4.08% and 4.54%, respectively. Amortization of the discount is included in contributions revenue.

(i) *Contributed Goods and Services*

Volunteers and other companies and organizations have donated significant amounts of their time and services in support of NJPAC's operations. Only those amounts for which an objective basis is available to measure the value of such services and which meet certain criteria are reflected in the accompanying consolidated financial statements. Contributed goods and services, which include advertising, piano rental, airfare, and legal professional services in the amount of \$784,276 and \$661,993 for the years ended June 30, 2025 and 2024, respectively, are recorded as contributions revenue and asset or expense in the accompanying consolidated financial statements.

(j) *Other Business Income*

Other business income consists of food services commission, merchandise sales commission, reimbursement of special event costs, nonperformance parking, and facilities rentals for which revenue is recognized when the space is utilized, other nonrecurring miscellaneous revenues, and ground lease rental income, which is recorded on a straight-line basis.

(k) *Fair Value Hierarchy*

Fair value is defined as the exchange price that would be received to sell an asset or paid to transfer a liability (an exit price) in the principal or most advantageous market for the asset or liability in an orderly transaction between market participants on the measurement date.

NEW JERSEY PERFORMING ARTS CENTER CORPORATION

Notes to Consolidated Financial Statements

June 30, 2025 and 2024

The fair value hierarchy requires an entity to maximize the use of observable inputs and minimize the use of unobservable inputs when measuring fair value. The standard describes three levels of inputs that may be used to measure fair value:

Level 1: Quoted prices or published net asset values in active markets for identical assets or liabilities.

Level 2: Observable inputs other than Level 1 prices, such as quoted prices for similar assets or liabilities, quoted prices in markets that are not active, or other inputs that are observable or can be corroborated by observable market data for substantially the full-term of the assets or liabilities.

Level 3: Unobservable inputs that are supported by little or no market activity and that are significant to the fair value of the asset or liabilities.

Fair value estimates are made at a specific point in time based on available market information and judgments about the financial asset, including estimates of timing, amount of expected future cash flows, and the credit standing of the issuer. In some cases, the fair value estimates cannot be substantiated by comparison to independent markets. In addition, the disclosed fair value may not be realized in the immediate settlement of the financial asset. Potential taxes and other expenses that would be incurred in an actual sale or settlement are not reflected in the amounts disclosed.

(l) Advertising Expenses

Advertising expenses related to future performances are expensed as incurred. Advertising expenses amount to approximately \$3,180,755 and \$3,241,000 in 2025 and 2024, respectively.

(m) Use of Estimates

The preparation of financial statements in conformity with U.S. generally accepted accounting principles (GAAP) requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates. Estimates include the valuation of alternative investments, the reserves for uncollectible contributions, grants and accounts receivable, the present value of multi-year contributions receivables, liabilities for conditional asset retirement obligations, and the allocation of functional expenses. Management reviews the assumptions each year to determine the reasonableness of these estimates.

(n) Tax Status

NJPAC is exempt from federal income taxes pursuant to Section 501(c)(3) of the Internal Revenue Code. NJPAC has been classified as a public charity under Section 509(a) of the Internal Revenue Code.

Certain transactions could be deemed unrelated business income and would result in a tax liability. Management reviews such transactions to estimate potential tax liabilities using a threshold of more likely than not. Management estimates that there are no material tax liabilities that need to be recorded on June 30, 2025, or 2024.

Notes to Consolidated Financial Statements

June 30, 2025 and 2024

(o) *Functional Classification of Expenses*

NJPAC allocates expenses to its functional areas based on time, effort, and usage.

(p) *Leases*

NJPAC assesses contracts at inception to determine whether an arrangement includes a lease. Right of use operating lease assets represents NJPAC's right to use the underlying assets and right of use operating lease liability represents NJPAC's obligation to make lease payments for the use of the leased asset. NJPAC has elected the short-term lease exemption for leases with a term of twelve months or less. NJPAC recognizes right of use assets and lease liabilities based on the present value of lease payments over the lease term at commencement date. The rate implicit in NJPAC's leases typically is not readily determinable. As a result, a risk free rate of a comparable time period is used.

(3) *Investments*

Overall Investment Objective

The overall investment objective of NJPAC is to invest its assets in a prudent manner that will achieve a long-term rate of return sufficient to fund a portion of its annual operating activities and increase investment value after inflation. NJPAC diversifies its investments among various asset classes incorporating multiple strategies and managers and has limits on the amount of credit exposure to any one entity. Investment decisions are authorized by the Board's Investment Committee, which oversees NJPAC's investment program in accordance with established guidelines.

The following tables summarize NJPAC's investments by major category in the fair value hierarchy as of June 30, 2025 and 2024:

	June 30, 2025		June 30, 2024

NEW JERSEY PERFORMING ARTS CENTER CORPORATION

Notes to Consolidated Financial Statements

June 30, 2025 and 2024

- (a) NJPAC's alternative investments in four hedged strategy funds amounted to \$16,242,633 at June 30, 2025 and \$14,991,542 at June 30, 2024. These include \$7,982 in 2025 and \$10,286 in 2024 which were invested in special situation accounts. Special situation accounts generally are not available for redemption until the respective investments are liquidated. The other hedged strategy funds of \$16,234,651 in 2025 have no redemption restrictions and may be redeemed quarterly with 30-day notice. Hedged strategies involve funds whose managers have the authority to invest in various asset classes at their discretion, including the ability to invest long and short. Funds with hedged strategies generally hold securities or other financial instruments for which a ready market exists and may include stocks, bonds, put or call options, swaps, currency hedges, and other instruments, and are valued accordingly.
- (b) NJPAC's alternative investment funds in private equity of \$13,275,696 and \$11,479,022 at June 30, 2025 and 2024, respectively, were made through fourteen limited partnerships in 2025 and twelve limited partnerships in 2024. Certain partnerships have limited existence and provide for annual extensions for the purpose of disposing of portfolio positions and returning capital to investors. However, depending on market conditions or other factors, managers may extend the terms of the partnerships beyond their originally anticipated existence or may wind it down prematurely. NJPAC cannot anticipate such changes because they generally arise from unforeseeable events, but should they occur, they could reduce liquidity or originally anticipated investment returns. The timing and amount of future capital or income distributions of funds are up to the discretion of the fund manager. In other partnerships, NJPAC may request redemptions of all or a portion of its shares on a monthly basis with seven days written notice. Private equity funds employ buyout and venture capital strategies and focus on investments in turn-around situations. Other strategies may require the estimation of fair values by the fund managers in the absence of readily determinable market values. As of June 30, 2025, NJPAC has potential future capital call commitments of approximately \$6,631,883 to these private equity funds.
- (c) NJPAC's investment in one commingled trust fund amounted to \$2,535,304 and \$2,163,452 at June 30, 2025 and 2024, respectively. The fund invests primarily in long-term investments in international equities and offers monthly redemptions with 30-day notice.

(7) Leases

(a) *Property Lease*

In August 1996, NJPAC entered into a superseding 99-year sublease, as amended, with the State of New Jersey for properties on NJPAC's site. In September 2016, title to one of the leased tracts of land, designated as Two Center Street, was transferred to Theater Square Development Company, LLC at a cost of \$150,000. Consequently, this tract was leased from Theater Square Development Company, LLC to Two Center Street Urban Renewal, LLC, for the construction of a multi-story residential tower referred to as One Theater Square. In November 2018, the State of New Jersey conveyed additional property to NJPAC at a cost of \$430,000. The conveyed property will be used for future commercial and mission-related development.

Under the terms of the above superseding lease, rent is payable to the State of New Jersey by NJPAC annually in the amount of any operating surplus, as defined, remaining after \$500,000 is transferred to a board-designated endowment fund. The maximum cumulative rent payment due over the life of the lease is \$44,000,000, with a maximum annual rent of \$1,700,000. Once such board-designated endowment fund reaches a balance of \$10,000,000, the Board of Directors shall in good faith allocate any operating surplus between the annual rent and the endowment fund. As of June 30, 2025 and June 30, 2024, no rent was required to be paid by NJPAC to the State of New Jersey.

(b) *Parking Garage Lease*

In 1997, NJPAC entered into a 50-year sublease, as amended, for the Military Park Garage in Newark from the Parking Authority of the City of Newark (the Authority). In 2017, NJPAC obtained a ten-year term loan, the proceeds of which were used to retire the outstanding balance of the City of Newark bonds. In 2025 and 2024, the total due to/(from) the Parking Authority of the City of Newark amounted to \$(58,659) and \$(90,881), respectively. The lease is a net sublease, and all expenses of operation and repair are paid by NJPAC.

(c) *Capital Leases*

NJPAC maintains one capital lease agreement for office equipment. The value of the equipment leased is \$355,413 and is included in property and equipment. The present value of the net minimum lease payments is included in other liabilities in the amounts of \$150,169 at June 30, 2025 and \$227,632 at June 30, 2024.

(d) *Ground Lease*

In September 2016, NJPAC, through its wholly owned subsidiary, Theater Square Development Company LLC, entered into an amended and restated ground lease with Two Center Street Urban Renewal, LLC for the development, use, and occupancy of the land and building designated as Two Center Street Tract on NJPAC premises. The term of the lease is 97 years, commencing on September 8, 2016, with no renewal option. Rent is payable to NJPAC in the forms of a fixed, percentage and supplemental rents. Fixed rent is payable at varying annual amounts starting from \$100,000 to \$350,000, rent payments started in March 2020, as agreed, upon the rent commencement date of eighteen months after issuance of a certificate of occupancy and satisfaction of certain other requirements. Percentage rent is payable at 2% of gross apartment rental receipts starting on the agreed-upon commencement date of sixty months after issuance of the certificate of occupancy. Supplemental rent is payable upon the occurrence of a certain specified event. On August 13, 2020,

Total endowment fund corpus net assets	103,732,749	103,433,057
Total net assets with donor restrictions	\$ 157,113,666	152,992,235

NJPAC's endowment consists of seventy-nine funds that have been established to support general operations and certain programs. These funds are invested by NJPAC. As required by GAAP, net assets associated with endowment funds are classified and reported based on the existence or absence of donor-imposed restrictions.

(a) Funds with Deficiencies

From time to time, the fair value of assets associated with individual donor-restricted endowment funds may fall below the level that the donor requires NJPAC to retain as a fund of perpetual duration. None

NEW JERSEY PERFORMING ARTS CENTER CORPORATION

Notes to Consolidated Financial Statements

June 30, 2025 and 2024

of the funds had deficiencies as of June 30, 2025. There were eight funds with deficiencies as of June 30, 2024, amounting to \$52,228. The corpus amount of these funds, as of June 30, 2024 was \$2,405,000.

(b) Interpretation of Relevant Law

The Board of Directors of NJPAC has interpreted the State of New Jersey Uniform Prudent Management of Institutional Funds Act (UPMIFA) as requiring a prudent spending policy (referenced below) that contributes to the preservation of capital in donor-restricted endowment funds. Absent specific donor stipulations to the contrary, the act allows for spending below the fair value of the original gift, consistent with a prudent spending policy. NJPAC classifies as endowment fund corpus net assets the original value of gifts donated to the permanent endowment, (b) the original value of subsequent gifts to the permanent endowment, and (c) accumulations to the permanent endowment made in accordance with the direction of the applicable donor gift instrument at the time the accumulation is added to the fund. The investment income earned on the accumulations to the endowment fund corpus is classified as time or purpose restricted net assets until the donor-imposed restrictions have been met.

(c) Spending Policy

NJPAC's endowment spending policy was based on 5% of the trailing 20 quarterly average fair value as of March 31 of the preceding fiscal year. In fiscal year 2019, the Board of Directors amended the policy, allowing the annual transfer to be based on the June 30 value of new gifts (those received during fiscal year 2019 and beyond), in year one, and the average of the accumulated trailing quarterly values in years two through five. In fiscal year 2020, the Board of Directors amended the policy to reduce the annual spending rate from 5% to 4.75% over 5 years. In fiscal year 2025 and 2024, the spending policy was 4.75% of the trailing 20 quarterly average fair value on gifts received before June 30, 2019, plus 4.82% of the average rate on June 30, 2023 for gifts received after June 30, 2019. Certain endowment gifts require earnings in excess of the spending rate to be held for long-term investment.

The appropriation for endowment spending for fiscal year 2026 is \$5,718,929.

(d) Return Objectives and Risk Parameters

NJPAC has adopted investment and spending policies for endowment assets that attempt to provide a predictable stream of income and growth, while seeking to maintain the purchasing power of the endowment assets. Endowment assets include those assets of donor-restricted funds that NJPAC must hold in perpetuity. Under this policy, as approved by NJPAC's Board of Directors, the endowment assets are invested in a manner that is intended to produce moderate to high rates of return while assuming a moderate to low level of investment risk.

(9) Retirement Savings Plan

NJPAC has a 401(k) retirement savings plan that covers substantially all regular salaried employees who have attained 21 years of age and completed three months of service. The plan provides for NJPAC matching contributions based on the amount of employees' contributions. Expenses related to this plan, including the match, amounted to \$329,502 and \$266,923 for the years ended June 30, 2025 and 2024, respectively.

NEW JERSEY PERFORMING ARTS CENTER CORPORATION

Notes to Consolidated Financial Statements

June 30, 2025 and 2024

NJPAC has a Supplemental 457(b) Retirement Plan available to key employees of the organization. This plan is funded by voluntary employee salary deferrals in accordance with regulations established under Section 457(b) of the Internal Revenue Code.

NJPAC instituted a Supplement Executive Retirement Plan (SERP) to provide eligible employees deferred compensation benefits in accordance with regulations established under Section 457(f) of the Internal Revenue Code. Expenses related to this plan amounted to \$415,000 and \$300,000 for the years ended June 30, 2025 and 2024 respectively.

(10) Advance on Conditional Grant

In 2019, a donor made a \$20 million pledge to NJPAC to fund the design and construction of a multi-purpose education and community center (the Center) and the creation of an endowment to support the operating costs of the Center. Of the \$20 million pledge, \$19.5 million is subject to certain construction-related conditions. The remaining \$0.5 million was unconditional and recorded as contributions revenue in the consolidated statement of activities in 2019. Through June 30, 2025, \$12.5 million was received on this pledge. Of the \$12.5 million received, \$10.5 million remains conditional at June 30, 2025 and was therefore recorded as an advance on conditional grants in the consolidated balance sheets along with interest earned.

(11) Liquidity and Availability

NJPAC manages its liquidity by developing annual operating and capital budgets that provide sufficient funds for general expenditures. As of June 30, financial assets and liquidity resources available within one year for general expenditures, such as operating expenses and capital are as follows:

	<u>2025</u>	<u>2024</u>
Cash and cash equivalents	\$ 2,345,885	5,178,550
Contributions and grants receivable, due within one year	9,745,208	12,292,070
Accounts receivable, net	7,449,349	6,994,299
Balance of Board approved endowment spending not yet funded as of June 30	<u>5,718,929</u>	<u>5,376,000</u>
Total financial assets available for general expenditures within one year	<u>\$ 25,259,371</u>	<u>29,840,919</u>

Although NJPAC does not intend to spend from its endowment investment gains, other than amounts appropriated for general expenditure as part of its annual budget approval and appropriation process, amounts from NJPAC's unappropriated endowment investment gains balance of approximately \$28.7 million as of June 30, 2025 could be made available, if necessary, and in accordance with UPMIFA.

(12) Notes Receivable

A note for \$16.9 million entered into on March 21, 2024 with an entity wholly owned by the tax credit investor for the purpose of acting as a leveraged lender related to the construction of the Cooperman Family arts center.
